### MD&M Minneapolis 2007 Special Edition

Welcome to this MD&M Minneapolis 2006 special edition of the Machine Solutions Inc. (MSI) Email Newsletter, "Update MSI" Volume 6, Issue 7. Our Newsletter is distributed quarterly and will keep you current on developments at MSI. These are exciting times for MSI with an aggressive, proactive plan for new product introductions

**This issue includes:**

- New Products
  - > Laser Bonder LB750S
  - > Vertical Shrinker VS1000
- MSI Product Overview
  - > Stent Crimping
  - > Marker Band Swaging
  - > Balloon Catheter Pleating & Folding
  - > Catheter & Stent Testing
  - > Tube Processing

### Problem = Solution

#### VS1000 - Vertical Shrinker

The MSI Vertical Shrinker is capable of multiple length and speed transitions within a single cycle and features tubing guides to ensure product centering within the heat zone and independent temperature control of each thermal nozzle.
